FARMINGTON 15TH WARD PRIMARY

We have missed having primary together each week, but want all to know how much we love each of you. This year we are focusing on the small things we can all do everyday that can lead to greater things. Primary is full of darling little hands that do small things everyday to improve the life around us. Small ideas to help improve life around us are;

- offer to walk the neighbors dog,
- pick up trash around the neighborhood,
- weed a flower bed,
- do your siblings chores for a day,
- make a family member breakfast in bed,
- write a letter to a friend or drop off a thank you note.

We hope to meet together soon, until then know that we love all our primary children. Love, The Primary Presidency

Alma 37:6

“...but behold I say unto you, that by small and simple things are great things brought to pass...”

Special congratulations to the newest members of our ward.
