

MAY 2021

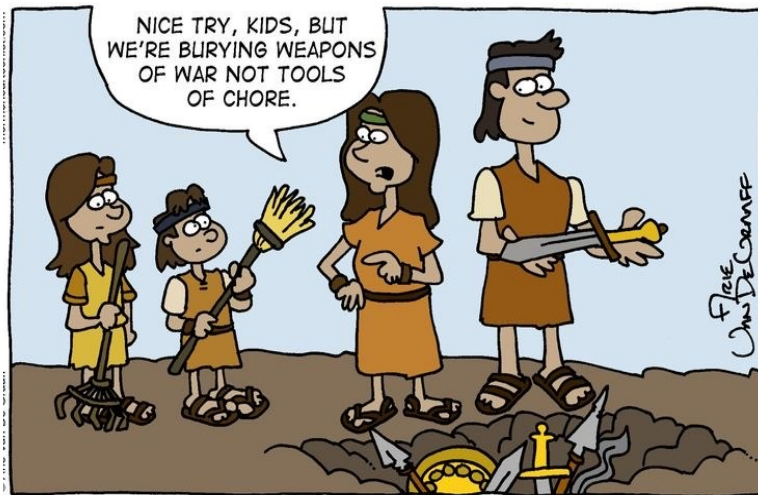

FARMINGTON 15TH WARD PRIMARY

In the May lessons we talk about standing in holy places. The Lord taught that His Disciples will find safety in the last days by standing in holy places —places that are special to the Lord. We are blessed when we spend time in holy places like our homes, our church buildings and the temple. We can help make our homes become a holy place with pray and Christlike love. Helping those we live with shows love for them and for our Heavenly Father. It is our hope that we all can find holy places to stand in during our primary drought.

We hope to meet together soon, until then know that we love all our primary children. Love, The Primary Presidency

1 Nephi 16:29
