

FARMINGTON 15TH WARD PRIMARY

CHOOSE

THE

RIGHT

JUNE 2021

The time has finally arrived when we can join together to worship! **Primary begins June 13th.** With us together again we will have a chance to hear the sweet testimonies of our primary children. Opening and closing exercises will also begin June 13th. We will contact those who will be participating. We know our singing voices are a bit out of practice, but prepare yourself, we will be having singing time as well.

We hope all can join us after church on the 13th, we will be having a special treat to celebrate.

FIND THE COINS

Maria earned 10 coins, but she dropped them in the park. Find and circle all 10 coins that she lost. How many of these coins will Maria give to pay tithing?

In July 1847, the first pioneers arrived in the Salt Lake Valley after crossing much of what is now the United States. Many of them pulled handcarts. Look at this picture and see if you can find: an alarm clock, baseball

bat, bowling ball, cap, carrot, golf club, ladybug, paintbrush, peas in a pod, salt and pepper shakers, slice of bread, slice of pizza, slice of watermelon, toaster, and toothbrush. Then color the picture.

What is a missionary's favorite type of car? (answer below)
