Why is it risky to play cards with Primary children?

In recent days we have seen a lot of changes. We have gone back to school and been introduced to new teachers and new classroom routines. We recently experienced thunderstorms that caused a power outage, a fire, and clouds of smoke to come into our neighborhood. With all the changes we have seen and storms that we have been through trust that the Lord is there for you. Pray is powerful and will help us through all the worries of life. Turning to our Heavenly Father in pray will help calm and protect us through all the changes and storms in life.

Love, the Primary Presidency

Answer: Because they never fold their hands.
