PRACTICE AT HOME

Our Primary Program is on Sunday, November 14. You've been doing a wonderful job learning the songs with us in Primary and now we're challenging you to do a little practice at home before the big day.

Practice each song 3 times with your parents. Links are provided on the ward website, www.farmington15thward.org.

Return this sheet to Sister Porter in the Primary room **after** church, on one of the following Sundays for a special treat: October 24 or November 7.
