

Farmington 15th Primary Newsletter

January 2023

This year we are studying the New Testament, which is full of stories of Jesus and his disciples. When Jesus Christ was on the earth, He followed the commandments, helped others, and showed love to everyone. He set the example we try to follow on how we should treat others.

Every day this year, primary children can find ways they can follow the Savior's example. As someone once said, "There is no better exercise for the heart than to reach down and lift someone up." We hope that as we learn of Jesus's life this year, we will all find an opportunity to show our love to those around us.
