

We hope all took the wonderful chance to hear from our prophet during General Conference. Enjoying conference from your home, perhaps in your pajamas, is a great blessing. The very first speaker of conference reminded us of the differences we have in celebrating Easter compared to Christmas. This year we only met for Sacrament and missed out on Primary. However, we can take what we have learned in Primary to celebrate Easter with a Christ centered focused.

We hope and pray for all our primary children to feel the same fortune we find in primary.
