

We reach out in love to others because it is what our Savior commanded us to do. Elder Gary E Stevenson said it is remarkable how such small efforts can have eternal consequences. This truth is at the heart of the Church's ministering efforts. Heavenly Father can take our simple, daily efforts and turn them into something miraculous.

As primary children, you can make a big impact by befriending a new neighbor or inviting a lonely

child on the playground to join in our games. These little acts of kindness will be remembered by those in need of kindness long after our day is over.

Remember that it only takes a little effort to make someone's day brighter.
