

Life on earth didn't happen by accident. You are here as part of God's plan of happiness for all of us. As primary children, we are taught gospel truths through song. How many primary songs have words of happiness and goodness that comes from the teachings of Jesus Christ. As we prepare for the primary program, we are reminded of these truths. All are welcome to the primary program, don't forget to invite family, friends and neighbors to join us and hear the testimonies of all primary children through song.
