

February 2024

Farmington 15th Primary Newsletter

One of the greatest sources of joy and meaning in our life can be our relationships with other people. Primary is a wonderful place to develop strong relationships that will last a lifetime and give you support in your time of need. Giving and receiving love is part of the purpose of life. The promise of eternal life with God and your loved ones can provide hope that carries you through difficult times. Just like the song we sing in Primary, "Love One Another" our time in Primary can teach us how God's love is the greatest gift. We hope everyone during this month of February will celebrate a day of loving one another.
