

March 2024 Farmington 15th Primary Newsletter

We often hear the phrase, “We are lucky.” We are lucky for a lot of things we have in our life. We are lucky to live in such a wonderful neighborhood, in a great and safe city. We are lucky to have amazing friends and access to good food and education. Another phrase we could use is “We are blessed.” We are blessed to have what we sometimes take for granted in our lives.

At times we don’t always feel so lucky and we often forget how lucky we are. It is important to remind ourselves that our Heavenly Father love us through regular church attendance, scripture study and pray. There are people and experiences in our lives that are part of the divine plan our Heavenly Father has for us. It is important to thank our Heavenly Father for our many blessings in our lives and remind ourselves that there is a divine plan for each one of us and we are truly blessed.

Best of Luck to you this month, The Primary Presidency

“And we talk of Christ, we rejoice in Christ, we preach of Christ, we prophesy of Christ, and we write according to our prophecies, that our children may know to what source they may look for a remission of their sins.”
