July 2024

President Thomas S Monson said, "To be a Latter-day Saint is to be a pioneer, for the definition of a pioneer is "one who goes before to prepare or open up the way for others to follow." And to be a pioneer is to become acquainted with sacrifice. The path of a pioneer is not easy, but we follow in the footsteps of the ultimate Pioneer—even the Savior—who went before, showing us the way to follow. 'Come, follow me,' He invited. 'I am the way, the truth, and the life,' He declared. 'Come unto me,' He called."

As we celebrate our pioneer heritage this month, we should remember that we are all pioneers in our own way.

ANOTHER TESTAMENT OF JESUS CHRIST

The Lord told Lehi that Nephi and his brothers should obtain (get) the brass plates from Laban. Follow the path to help **Nephi** get the brass plates and return to his family in the wilderness.

1 Nephi 3-5

Why did Heavenly Father want Lehi's family to have the brass plates?

Alma 32

What does God desire us to do first?

Alma said the word of God (scripture) is like a seed that must be planted and nourished (fed). Connect the **seeds** to see what they will become when planted.

Now connect the dots around Jesus and the scriptures to see where we should plant His teachings.
