

Farmington 15th Primary Newsletter

June 2024

A common saying we use when we are trying to get organized and prepare ourselves is “getting our ducks in a row”. For many of us it is hard to pack for a vacation or get prepare for summer games. It is hard to get our “ducks in a row”. It is frustrating to get to the baseball field only to discover you forgot your bat. In a similar way, Heavenly Father has asked us to gather, organize, and be united. Often it helps us get our “ducks in a row” when we ask for help from our friends and family. There are many blessings when we ask for help and also offer our help to them in return.

This family is spending time together by camping in their own backyard. Can you find these hidden objects?

Moroni buried the gold plates so Joseph Smith could later translate them. He promised that we could know the **Book of Mormon** is true. Follow the path to see how it got from Moroni to you.
