

Farmington 15th Primary Newsletter

January 2025

In 2025, we will be focusing on the Restoration of the gospel and studying doctrines given to us through the Doctrine and Covenants. In the Preach my Gospel manual the introduction lesson asks us if we have ever thought of ourselves as part of the Restoration of the gospel. President Dieter F. Uchtdorf said “Sometimes we think of the restoration of the gospel, already behind us...In reality, the Restoration is an ongoing process; we are living in it right now”. As you prepare to study how the gospel was stored in the 1800s, you might start by pondering how it was restored in your life. How have I come to know that this is true? How do I participate in the Restoration today?

We hope we to encourage all to participant this year in Primary and read from Preach my Gospel at home.
